

Minutes of the
Food Research Working Group meeting at the 24th conference of the SIEF International Ethnological
Food research conference,
Budapest September 18–20, 2024

1. Presentation from the board
Welcoming words from the board.
2. Conclusion words of 24th conference of SIEF Food Research Group
Co-chair concluded the Conference Food Research Group with short reminders of what was presented. Especially pointing out all of the key note speakers presentations.
3. Preparation for SIEF conference in Aberdeen
The board invited members and all those researching food to the 17th International SIEF Congress, which will take place in Aberdeen, Scotland, from June 3–6, 2025. The board invited all that are interested to send proposals to our working group's panel titled Unwriting Food.
4. Next SIEF Food conference, Ljubljana
Co-chair presented suggestion for the next conference of the Food Research Working Group. Ljubljana was presented as a town very well suited for this type of conference. Conference will be hosted at the Institute of Slovenian Ethnology ZRC SAZU.
5. Any other business
None.
6. Closure
The co-chair closes the meeting and announces that SIEF Food Research Working Group conference will take place in Ljubljana 2026.
